15<sup>th</sup> August 2010

## Date Claimers for your swim diaries.

**25<sup>th</sup> August** – 1st Club Night for the season.

**1<sup>st</sup> September** – Club Night & Sign On

### Club Nights

Well everyone here we are again back getting those towels, togs, goggles and caps all out of the cupboard and aired and ready to go for the season. We are kick starting the season off with a CLUB NIGHT at the end of August to test the waters so I would expect it will be a brisk fresh night.

Our first club night will be 25 & 50 meter sprints only so if you can fill out a nomination form and have it back to me by email or left in the green mail box at the pool no later than TUESDAY 24<sup>th</sup> AUGUST that would be great. We will also be having our tried and true BBQ on the night and a \$50 money board will be on offer for some lucky member to win \$50 on the night!!

Look forward to seeing you all there and I will make sure we have a supply of Mars Bars as I am expecting some beginners luck for the start of the season with our time keepers.

### Gardens Short Course.

Georgia Murray and Ivan Van Zyl attended the Gardens Short Course Meet at the beginning of August and had a very successful weekend.

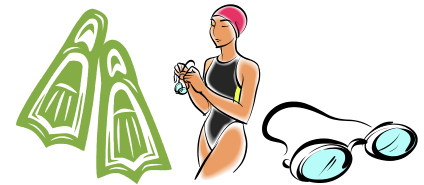

Both swimmers swam well for the first meet of the season with little to no water training under their belts so congratulations to both our young members and we look forward to following their swimming for the rest of the season along with the rest of our swim stars in the club.

### Sign On

We will be holding our sign on day (night) on the 1<sup>st</sup> September which is our second club night for the season. So spread the word to last season's members and new families wanting to

join, that swimming has started and memberships are being taken.

See Julie Neil or Nicki Murray at the kiosk during training for any questions prior to sign on.

Membership Fee - Annual	Description
\$90.00	1 Swimmer + 1 Parent
\$60.00	Additional Swimmer
\$50.00	Recreational Swimmer
